

### Applications are due by March 5<sup>th</sup>, 2018 at 4PM

Dental Hygiene Students, grab this exciting opportunity to share your knowledge and contribute to the advancement of the dental hygiene profession by participating in the 2018 WDHA Student Poster Session as Symposium 2018! In this new session, student clinicians present original research findings or a topic of interest on current treatment, technique, theory or trend through poster presentations. Why not turn your school research paper or project into an award opportunity? CASH PRIZES!

**\*\*The table clinic portion of this event has been eliminated to promote more professional and academic research endeavors. \*\***

PLEASE take this opportunity to take your poster to the ADHA National Session! This event could give you the confidence to submit your poster to the ADHA's Poster Presentation at the Annual Session held in Columbus, OH in June 2018. We strongly encourage you to do so! Our guidelines follow ADHA's Undergraduate Informative and Research Poster Sessions, making submitting your poster to Nationals easy for you. Keep in mind the deadline for ADHA Poster Session is March 30<sup>th</sup>, 2018. Refer to the ADHA website for further details.
