May 15, 2020 – Facebook Live message from WDHA President Jennifer Zbaraschuk

Hello friends,

Thank you for joining me this afternoon. Many of you have reached out with your concerns either directly to me or to other WDHA leaders, and through our input link last weekend. We have continued advocating on your behalf these last 9 weeks. Most recently through our work with the Phased Approach Task Force to Restoring WA Health Care Systems.

This afternoon we were notified that Gov. Inslee is expected to announce the extension of Proclamation 20-24 till noon on Monday. That extension would mean no clinical treatment for routine procedures until the afternoon. The Governor is also expected to issue a new proclamation on Monday morning that would take effect Monday at noon.

The new proclamation will address:

- testing
- PPE
- formal worker feedback processes
- and highlight the dental providers clinical judgement and decision making

We will be holding a Zoom Q&A on Sunday evening before many of you return to the office on Monday.

A registration link: <https://forms.gle/Qe4si18Hdi6MVkPv9>

As always, feel free to connect with me via email, text, or messaging.

Have a great evening. I hope to see you on Sunday.

Thank you,  
Jennifer Zbaraschuk, RDH, BSDH, EFDA  
WDHA President
