Membership Conversion	Carrie Crosby	crosby.carrie@gmail.com
Facebook Manager	Chris Schmidt	---
Restaurant Arrangements	Heather Anderson	---
Flyer Design	Kathy Trudeau	---
Mentors	Sarah Jackson/Lorie Spear	---

The Eastern Washington Component is one of the largest in landmass of the state of Washington. It spans from the Canadian border in the north to Oregon in the south.

The EWDHS component holds meetings every other month starting in September and running through May. We start at 6PM and usually end around 8:30PM. We meet at EWU Spokane Campus or at a nearby restaurant. We offer networking along with 2 hours of CE, a committee meeting follows each time except for our Salute to Graduating Seniors from the EWU Dental Hygiene Department in April. At this social gathering we network, meet the new graduates and introduce them to other members of the component and answer any questions they may have about ADHA and private practice. The summer is quiet except for a component committee work dinner where we finalize plans for the upcoming year.

This year in October, EWDHS hosted WDHA annual House of Delegates in downtown Spokane.
