Trustee	Nona Groesbeck	flossyrdh@gmail.com
*We encourage our local hygienists to volunteer for free dental hygiene services throughout the year and post them on our website and Facebook pages		

The Mount Baker Dental Hygienists' Society represents dental hygienists in Skagit, Whatcom, Island, and San Juan counties of Washington State. We strive to increase access to quality oral health care as well as to promote our profession.

We welcome hygiene students to our meetings and offer monthly continuing education courses as well as volunteer opportunities in the upper Northwest corner of Washington State. We usually have a continuing education speaker, and a light meal. No charge for students. Members are usually charged \$25 for the CE with meal, and nonmembers are charged \$30
